- Topics to be covered include offensive and defensive drills, player safety, practice structure and coaching the female athlete.
- Attendance is **MANDATORY** for at least one coach, or representative, on all recreational teams. The clinic is not required for coaches with teams in the LSGSA competitive league, but it is highly recommended.

Pre-Registration is not required

Please contact Alan Wilds at 816-695-4973 or awilds_98@yahoo.com with questions.

Note: If at least one coach from a team is not able to attend, at least one coach from that team will be required to complete the Amateur Softball Association's ACE Level I online certification program at their own expense (appx. \$30). **A team is not eligible to play unless a coach has attended the LSGSA clinic or completed the ACE certification program.**
